

COPA Dance Recital Program Personal Ad Order Form

The COPA Staff is Supporting our Efforts but will not be responsible for taking orders or money .

The Centre Stars Dance Teams have started working on competition dances in tap, jazz, lyrical and hip hop and are very excited about a new year and new changes at COPA. We are also very excited to once again be able to create for you a souvenir program for the May 2010 recital. The Centre Stars Dance Team girls will be selling ads to go in the program to help with all the competition and costume fees. We will be doing group class photos again so that every child's face will appear in the program but, if you would like to have a featured ad with your child's picture and a special message just for them, we save a limited amount of space in the program for this, and will be selling these ads on a first come first in bases. We will have some programs around the studio so that you can see what the ad sizes look like and different ways you can feature your child. We want this to be something they can look back on in years to come and remember all their dance years. A Dance Year Book!

The Program will be seen by more than 600 people so your Ad will not go unnoticed!
