

Dear students, parents, friends, and COPA family,

We are excited to again use Chris Rimmer for our week of group and individual photography. Please see his note attached and packages to choose from.

As we have done in the past, you will come during your original class time to take group photos. Classes need to stay in the dance rooms so the halls will not be cluttered. We will have extra staff there on these nights to assist the process. It is important for parents to know that the studio is very crowded during this week and this is not the week to invite extra friends, relatives, etc into the studio during class time.

This year we will have group photos going on in room 5 as we did last year. We will have another photographer on Monday and Tuesday night, as well as Wednesday during the day with Chris, doing individual photos in room 4 due to the increased need and higher volume of kids/classes. There will not be a sign up sheet for individual photos, just first come first serve. Chris will not be able to fit in individual photos in the group room on Wednesday or Thursday night during group photography time and we will not have the extra photographer here on Wednesday and Thursday nights.

In order to keep forms organized, we learned from last year that we need code names for each class to go on the forms. Please see code name for your child's class at the front desk, online, and/or see one of the volunteers that night whom will have one as well, and put that number on the form to help us keep them grouped together.

We will be practicing dances but classes will be combined in rooms 1, 2, and 3.

As always, we invite your questions and look forward to this fun week of photo shooting!

Picture Week is April 19-22

Group Photos During Classtime (Room 5)

Individual Photos are Monday Night 4-9 (Room 4), Tuesday Night 4-9 (Room 4), Wednesday 2-4 (Room 5) or Wednesday 8-9:30 PM (Room 5), Thursday 4-5 (Room 5) and Thursday 8-9:30 PM (Room 5).

Be aware that group photos need to take priority over individual photos.
