### ALL PHOTOGRAPHY AT OUR STUDIO

There is a sign up sheet on the hall bulletin board, along with the group pictures schedule, for you to sign up for individual costume pictures. Group pictures with individual pictures will be made Monday thru Thursday, May 13-16. Individual pictures will be taken on Friday and Saturday, May 17 and 18. Our staff will help with all posing of groups and individual photos. These are all pre-pay packages. The payment for individual pictures will be to the photographer. The group picture payments will be made to CoPA. You received a form in March for group pictures. Don't pay now. At the time group pictures are taken at our studio, May 13-16, you may bring your filled out form and payment of \$10 for a group picture. This payment is to CoPA. The individual photography payment is also not due until the pictures are taken May 13-18. This \$25.00 payment should be made to

**TROPHIES AND GIFTS:** Trophies will be available for sale at our rehearsals. They will then be ready for pick up at programs with engraving complete. CoPA will also have flowers, gifts, balloons and plush animals for sale during the programs. These gifts may be given to students after the finale when you pick them up from the stage area.

### Theme T-Shirt and Red or Blue Shorts

You should have received an order form for patriotic theme-t-shirts. Jo ordered extra shirts and shorts..so you may still turn in orders as soon as possible\_\_but time is running out. We've ordered 2 styles of t-shirts for adults. One is a 50/50 blend like we've always used. The other is a shorter, tighter fitting t-shirt. Come by the office NOW if you want the tighter fitting shirt so we can reserve the one you desire with your pre-order. Children's shirts are the looser style we've always used. All students are required to wear the DANCE-USA theme shirt with your choice of red or royal blue shorts for the finale which will enhance the patriotic theme. The only exceptions will be 2, 3, 4 or 5 year olds who have a choice of wearing their costume or wearing the shirt and shorts. We have a sample of the shorts for you to see for size and colors. The picture of the theme t-shirt is on the hall board. If you plan to wear a pair of your own (non printed) shorts without ordering, please check the color for accuracy in shades. We would like there to be the same colors of red and blue shorts on stage...but we are only offering the shorts as an option to those who wish to purchase and don't already have shorts. You do need to order a shirt but may use your own shorts of the same colors. Each finale participant will receive a small flag to use during the finale entrance and routine that may be taken home as a souvenir after the show.

**Attached:** You should have received a sheet that lists rehearsal day and time, program day, and group picture time for each class. Attached is a listing of the order of each program, telling you what number in the program your routine will be and your dressing room assignment.
