Fun Week - May 12-15

The week after our programs, May 12-15 we will offer a new schedule at the studio for FUN WEEK. There will be beginner classes for students that wish to try a new type of dance. There will also be classes for those students who wish to take an extra class in their present style of dance. We may even have some different classes not normally offered.

We will need you to sign up for the beginner classes so we will know if the class is large and we need to form an additional class. However, you do not need to sign up for classes for experienced dancers. Just look on the schedule for the type of dance and the age. Adults, this is a good time for you to try a class.

The Schedule will be ready for pick up next week. Look on the bulletin board for the sign up sheet.

Summer and Fall

I'm completing the summer schedule of classes and camps. Ask in the office or ask the receptionist for info. By our fun week May 12-15 I hope to have the fall schedule complete.
