Parades

THANK YOU to all the parents who brought students to the Christmas parades. We had parents willing to help chaperon on our float, hold the studio banner, and walk with the various performing groups. Extra eyes are wonderful. Thanks also to the students who helped lead the groups so the younger students could follow the older students. Chuck Thornton, who owns Thornton's Autos on Harden Street in

Graham, provided the rollback truck for our young students. Thanks for the truck and for driving and setting up our music equipment. Jimmy McClure graciously allowed us to put Centre Stars Dance Company members on the McClure Furniture/Gifts On Main professional float. It was wonderful.

Thanks to all....you dancers were great!!!
