<i>Tuition Due</i>	April 10	<i>Programs</i>	May 9-10
<i>Late Fee Added</i>	April 11	<i>Photography Week</i>	May 12-15

COSTUMES ARE COMING IN !!

Hooray! Our staff gets just as excited as the students when costumes arrive. When costumes arrive many instructors allow students to try on costumes and do their routine during class. But...the costume must be paid in full and all tuition current before the student can take the costume home. Even though the due date on costume balances is March 28, we would like to give costumes out as soon as they arrive. Our staff feels badly when a student cannot take a costume home because the balance hasn't been paid or tuition isn't paid. So, if possible, please make every effort to have your accounts current as soon as possible. The slip of paper with the student's name and list of classes attached to the DanceNotes also lists the total cost of your costume. To figure the balance due, deduct the \$35 deposit from the total. (If the \$35 is in bold print, the costume total price hasn't been compiled as of yet). REMEMBER - Costumes cannot be given to students unless the costume balance is paid and tuition and additional fees are up to date.

PROGRAM INFORMATION The week of March 17-20 you will receive program information to include dress rehearsal time at Williams High School, program date and time, dressing room assignment and group picture times. On the form, find your class time and look across for the information that responds to your specific class.

MAKE UP CLASS Notes will be given to individual classes about make-up dates for the classes missed because of bad weather. Each instructor will make plans for make-up classes. Spring vacation may be used as an extra class by some staff since students will be in school that week. Since everyone has such busy schedules, we're trying to not use Saturday for all make up days. The list of make up classes will be posted on the bulletin board in case you need a reminder.

STATEMENTS FINALLY! Our computer problems are fixed. We have listed recital fees, April and May tuition on your March statement even though the fees aren't due yet. We wanted you aware of all tuition and fees due through the end of the year. ALL ACCOUNTS NEED TO BE PAID IN FULL BY APRIL 24. If you have made a payment recently, please look at the date in the right hand corner of your statement. We printed the statements on Tuesday morning, March 11. So....any payments after that are not reflected on the statement.

Group and Individual Photographs in Costume / Fun Dance Class Group and Individual pictures will be made as close as possible to your regular class time the week of May 12-15. Since we will have completed our programs, the classes will be "fun," giving students a different type of class. There will be a sign up sheet in the next weeks on the bulletin board beside the water fountain listing the class picture times and a place for sign up for individual pictures. We have a different local photographer, David Weaver, who will take the pictures this year with our staff helping with poses. Pictures will be on a pre-pay basis with the following packages available

INDIVIDUAL PACKAGES	2 8x10 4 5x7	16 wallets	\$40.00
	1 8x10 2 5x7	8 wallets	\$25.00
	2 5x7	8 wallets	\$20.00
GROUP PORTRAITS	1 8x10		\$12.00

Bulletin Boards The bulletin board located by the water fountain will have important information for parents & students about rehearsal and programs, picture schedule and class make up dates. Two bulletin boards located across from the bathrooms are for notices, newspaper clippings and other items of interest.

You will receive your video order form, photography information, program theme t-shirt order form and program/rehearsal information March 17- 20.
