2015 Parade Participation Information & Studio Sweatshirt Order Form

All students and chaperones must wear the Centre logo shirt in order to participate in parades

ALL Centre students may ride or dance in either or both of the 2 parades in Burlington and/or Graham; but you **must have the Centre sweatshirts as of Fall 2015** to participate. This is the same one from last year. The sweatshirt will again be presented in the lobby at COPA.

Float Riders are students ages 1-5. Each student riding the float may have one adult to ride with them. Because Wayne Payne at Diesel Engine and Repair is willing to provide and drive the wonderful big flat bed, we are able to offer more adults the opportunity to ride with their children. No child is allowed off the float until the conclusion of the parade and the float has to come to a complete stop where parade officials designate.

WEAR: New Studio sweatshirt, black pants, your choice of matching bold color turtleneck to match a color in the shirt, tennis shoes

Acrobatic students are **SELECTED** from students advanced to the level that safety would not be an issue with performing tricks without a mat...so only these students are invited to participate in the parades. Older acro students not selected may dance with the "dance" group.

Young acro students may ride on the float. **WEAR:** studio sweatshirts, black sweatpants, choice of matching bold color turtleneck & black gloves, white tennis shoes

Centre Stars, perform their own routine. **WEAR:** Stars jacket and pants, choice of matching bold color turtleneck & white tennis shoes

CDEA, perform their own routine. **WEAR:** teamwear

Cheer Students perform with the CDEA Cheer Team. **WEAR:** Studio sweatshirt, black sweatpants, choice of matching bold color turtleneck, tennis shoes

Clogging Students perform their own routine. **WEAR:** Studio sweat shirt, black sweatpants, choice of matching bold color turtleneck, clogging shoes

Dancers = All Students (who are in tap/ballet/jazz/acro/hip hop classes) will learn a routine and "dance" down the parade route with their routine. **WEAR:** New Studio sweatshirt, black pants, choice of matching bold color turtleneck, white tennis shoes

Needed: Parents willing to walk behind groups as chaperones. Each group will also have a Centre instructor with them. Please leave a note in the drop box beside the office window listing your name and group you wish to chaperone so we will know the number of chaperones with each group. **WEAR:** studio sweatshirt, black pants
When you are not acting as a chaperone and walking or riding with a group, we recommend that parents leave students at the parade starting location, **THEN GO TO THE END OF THE PARADE ROUTE TO MEET STUDENTS AS SOON AS THEY FINISH THEIR MARCH OR RIDE**___ **Don't wait until the parade is over to come to the end.** You can then watch the remainder of the parade together. The children may become upset when

they don't see you as they finish the route and other students are leaving with parents. We can't allow students to walk back to where they saw you during the parade. No students should leave the end location without the adult who will be taking them home. Please reinforce this. We have had scares because of student/parent misunderstandings when students have left with other family members or friends. Be sure your students understand their instructions!! Remember, if you walk, make arrangements to have a car waiting for you at the conclusion of the parade. If you do not walk, go to the end of the parade route so your child can be picked up immediately after they finish; NOT at the conclusion of the parade. Layer for warmth if necessary, using any undergarments, white gloves, etc
