

CENTRE DYNAMIC ELITE

2016-2017

We are so excited for this next season of our wonderful and growing All-Star cheer program! Centre Dynamic Elite will focus on providing a fun, safe, and positive environment for your cheerleader to discover, learn and cultivate a variety of skills that will assist them throughout life! We focus on correct and safe cheer and tumbling instruction from a staff of USASF certified coaches. CDE promotes hard work, dedication, and teamwork! We pride ourselves in teaching and displaying sportsmanship and positive teambuilding skills. We work hard, but we also play hard so, of course, WE HAVE FUN!! Experience is not necessary...just a positive attitude! We are looking forward to another GREAT season!

+ TEAMS

Currently we plan to have four or five competition teams ranging from Mini-senior, levels 1-4. Placement on teams depends upon the child's age AND their skill level. Your child may be asked, if you indicated this on your tryout form, to participate on more than one team or crossover. If you are asked to compete on more than one team you will not be charged extra tuition; only extra competition fees for crossovers.

✦ Private Lessons

Private Instruction is available at our convenient and beautiful location with a spring floor and other wonderful skill building equipment, or at CoPA with non-spring floor from any of our instructors. If you wish to have private lessons in cheer, tumble, flying, conditioning or acro, you can and are encouraged to do that. You and the instructor will plan a day and time and the instructor will make sure a room is available.

Privates range in price anywhere from \$18-\$30 per half hour. It is up to the instructor and you to negotiate the price. If your CoPA account is not in good standing or past due, you are not allowed to take privates. Please contact the particular instructor that you are interested in doing privates with to set up a day and time!

Instructors will ask for permission on the 2nd Sunday of each month before scheduling their weekly privates. Any account with an outstanding balance will have to waive their private spot until their account is paid in full.

✦ COMPETITIONS

We will participate in four-five competitions this year and competition fees will be billed separately. Most of the competitions will be located within two hours of the cheer gym. We will pick two competitions that require travel and an overnight stay.

✦ EXTRA PRACTICES AND INTENSIVES

We will have 2 extra monthly practices on Sunday afternoons. These will be given to

you at the end of the summer session. All extra practices are mandatory and the cost will be in addition to the monthly tuition.

CDEA will have a 2-3 day Stunt Intensive camp before intensives (date TBD). On these days we will do all level appropriate stunts in the particular level of each team to prepare for our choreography camp in August. These dates are mandatory! We cannot stunt if all cheerleaders are not present. There will be a fee for these 2-3 days that is covered on the pricing sheet that we will go over at the parent meeting. This fee includes payment to cover all instructors present. We will also have our choreography intensive and those dates will be determined at the parent meeting following the second round of tryouts. Please keep in mind that these dates are mandatory, as we will put together the entire routine on these dates.

➔ PARADES & RECITAL

We perform in the Burlington, Graham and Mebane Christmas Parades and possibly some community events throughout the season. One parade is mandatory and other 2 are optional but we encourage everyone to come to show off our amazing cheer program! When performing in the parades, we will wear our team uniforms and cheer warmups, NOT the sweatshirt worn by the recreational classes or the Wind suit worn by dance teams. You will be advised by your coaches what can and should be worn with your uniform (gloves, scarf, etc.) if the weather is cold. Our teams will be featured in May at our CoPA recital. We usually perform in at least 2 shows. We will also have a cheer team only showcase at the end of the year at the cheer gym.

➔ TUITION

The fall monthly tuition for CDE will cover 3.5 hours for Youth, Junior and Senior teams and 2.75 hours for Mini team of weekly cheer and tumble classes + 2 monthly extra practices + four-five competition fees for the season. Prep team tuition covers 2.25 hours of practices spanned between 2 practices per week. Tuition is due the 10th of each month. Fall tuition and monthly fee will be announced at the parent meeting. Competition fees will be released as soon as the competitions have been chosen,
