Our Mission:

The mission of the Centre of Performing Arts is to promote the education of dance and other forms of performing arts to a diverse population allowing for individual growth on many levels.

Our Vision:

- To provide quality dance education.
- To expose students and the community to other forms of performing arts.
- To encourage individual improvements in technical dance ability, self esteem, social skills, discipline, and positive self image.
- To promote positive physical, emotional, and psychosocial well-being by embracing uniqueness.
- To Provide a positive experience in many forms of performing arts.
