

Hello Everyone!

As you all know, there is a Production rehearsal scheduled for next Saturday, October 13. After this rehearsal is finished, the whole Wishes Production will be completed! Yay!! With that being said, it is IMPERATIVE that everyone be present at this rehearsal! If for some reason your child cannot be present, or if your child will be late, you must let Mallory or Eleni know immediately if you have not already. We are hoping to have most all props at this practice as well, which is another reason why we need everyone present. We are so excited about being able to interact with props! They look AMAZING thanks to the McCall family! The schedule for next Saturday will be as follows:
